Tom/Susan,

I am in receipt of Mr. Hackley's certified letter concerning recovering past EPA oversight costs. Letters such as this should normally be addressed to Mr. Briggs, but I will handle distribution for now.

The current letter indicates that there was an Office of Legal Counsel opinion dated 26 Aug 16, but I have no such information from Mike Fix and was not copied.

Could you please re-send this legal opinion so my package to be forwarded to HQDA can be complete?

Thank you.
Roger
